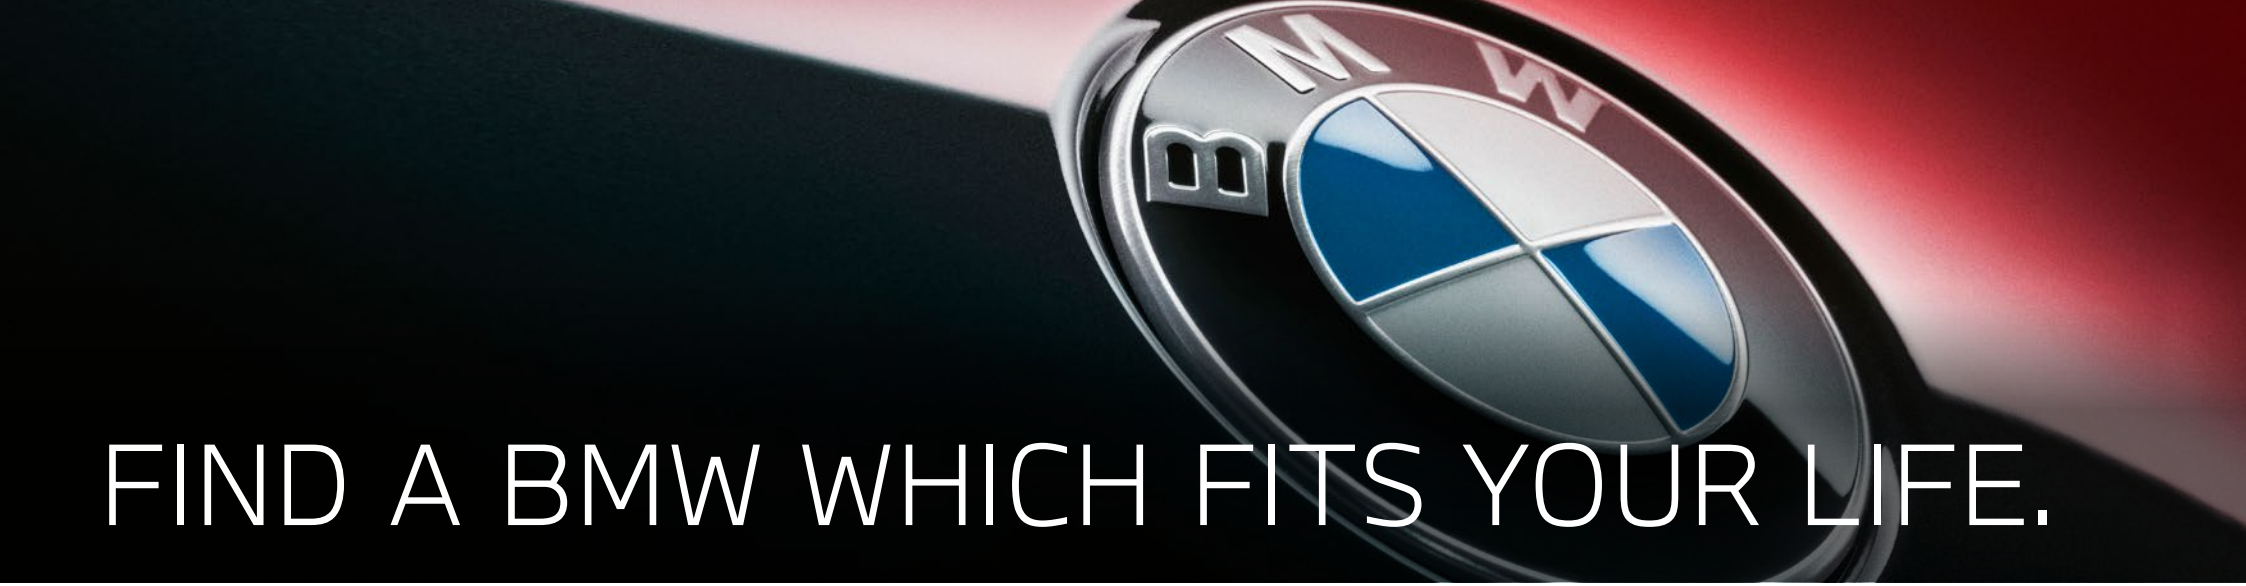
BMW ON THE MOTABILITY SCHEME.

PRICE LIST 1 OCTOBER – 31 DECEMBER 2020.



FIND A BMW WHICH FITS YOUR LIFE.

BMW is proud to be associated with Motability, a registered charity dedicated to helping disabled people get mobile by exchanging their mobility allowance to lease a new car through the Motability Scheme.

This route to worry-free motoring offers the following benefits:

- A new BMW every three years
- 60,000 mile allowance or 100,000 miles for Wheelchair Adapted Vehicles (WAV)
- Insurance included
- All servicing, maintenance, windscreen and tyre replacement costs built-in
- Accident and breakdown cover
- Many adaptations at no extra cost
- Ability to nominate up to two drivers

Choosing a BMW on the Motability Scheme offers:

- High level of standard specification including BMW Navigation, with metallic paint option at no extra cost
- Unique BMW driving dynamics and innovative technologies
- Wide choice of petrol or diesel, manual or automatic models and various trims, with xDrive models available in the BMW X1 and X2 ranges.
- A reduction in running costs by going electric. The all-electric BMW i3s range with enhanced 120Ah battery has a range of up to 175.2 miles*.

ELIGIBILITY.

You must be in receipt of one of the following Mobility Allowances to be able to lease a new BMW on the Motability Car Scheme.

- the Higher Rate Mobility Component of the Disability Living Allowance (DLA)
- the Enhanced Rate of the Mobility Component of the Personal Independence Payment (PIP)
- the War Pensioners' Mobility Supplement (WPMS)
- the Armed Forces Independence Payment (AFIP)

You must have at least 12 months award length remaining. Please visit **www.motability.co.uk** or call 0800 093 1000 if you are unsure.

WHAT NEXT?

To lease a new BMW on the Motability Scheme in exchange for your Mobility Allowance, simply contact a Motability Specialist at your local BMW Centre, who can find the right BMW for you, either in the showroom or in the comfort of your own home.

This price list shows the one-off Advance Payment required for you to start your three year worry-free lease of a brand new BMW.

THE 1
SPORTS HATCH.

Created to keep you connected, the BMW 1 Series has the latest BMW communication technology. The sleek look accommodates greater interior space than ever before, resulting in an increase in comfort and luggage capacity. With a host of driving assistance features, every model reacts to your voice and your touch, so you can concentrate on enjoying your drive.

- Kidney grille, High-gloss black with Chrome contrast edging

BMW i3s INTERIOR WORLDS.

The interior worlds of the BMW i3s allow you to choose an interior design which best reflects your own tastes.
Each of the striking interior worlds provide a different character to the interior of the vehicle, while retaining an exclusive BMW ambience.

ATELIER.

The standard Atelier interior world of the BMW i3s showcases a natural approach to design, while also creating a premium atmosphere. The use of materials, for example, the stylish standard upholstery in Aragats Grey/Black Neutronic cloth, underpins the futuristic ambience inside the vehicle.

The dashboard is constructed using lightweight recycled materials on top of a magnesium structure which saves 20% in weight versus conventional materials. The Andesit Silver matt effect interior trim emphasises the high-quality of the interior. Highlights in BMW i Blue are used throughout, and are particularly noticeable on the unique piping of the standard Black multi-function leather steering wheel.

LOFT.

The Loft interior world is designed to emphasise the spacious interior and generous levels of light, made possible through the LifeDrive architecture of the BMW i3s. A harmonious blend of sustainable and modern materials creates a light and dynamic interior, which imparts the impression of stylish equilibrium and balance.

The lightweight fabric uses recycled and renewable materials combined with Sensatec PVC-free synthetic leather for a real focus on sustainable materials. The unique multi-function leather steering wheel in Carum Spice Grey with contrasting BMW i Blue accent further emphasises this elegant interior.

LODGE.

The updated Lodge interior world makes use of high-quality materials to create stylish, modern lines with functionality and quality at the core. The wool and leather upholstery is perfectly complemented by the leather instrument panel and eucalyptus wood interior trim, creating a friendly and open atmosphere.

The curved wood surface of the dashboard is also an exclusive detail, and emphasises the natural aesthetic of this interior. The Lodge interior world features a unique multi-function leather steering wheel in Carum Grey with a crisp Satin Silver accent, which continues the theme of style and modernity. Image shows optional interior trim Dark Oak wood, matt. Please note interior trim Eucalyptus wood, matt is standard.

SUITE.

The luxurious Suite interior world creates a sophisticated and exclusive atmosphere, whilst still reflecting the focus on sustainable and natural materials.

It features sumptuous Vernasca leather upholstery in Dark Truffle, adding an elegant touch to the cabin. This is complemented by the interior trim in Dark Oak wood from certified sustainable forestry management. The high-quality multi-function leather steering wheel in Black has a contrasting Satin Silver accent.

THE X1

The new BMW X1 offers great space and flexibility with its powered tailgate and adaptable 40:20:40 split-folding rear seats. LED headlights are now standard and BMW Navigation with Real Time Traffic Information is displayed on a larger 8.8" touchscreen. Latest safety technologies such as Park Distance Control, Cruise Control with braking function, Collision warning and Speed Limit information also feature. There are xDrive all-wheel drive models available.

FAQS.

ISN'T BEING PART OF THE SCHEME FAR MORE COMPLEX THAN RUNNING MY OWN CAR?

No. Signing up to the Scheme is simple and we handle the whole process for you. It also takes the hassle out of owning a car as insurance as well as servicing and maintenance are all covered and once you've had the car for three years we will replace it with a new one.

CAN I INSURE MY PARTNER/CARER/OTHER FAMILY MEMBER TO DRIVE THE VEHICLE?

You can have up to two other named drivers on the car under the Motability Scheme, so you don't have to be the sole driver. You, plus one other person can be the named driver, or in instances where the person eligible is unable to drive, you can have two others (such as a parent and a carer) as the named drivers on the vehicle.

WHAT ARE THE RUNNING COSTS OF A NEW BMW?

Aside from the cost of fuel, your Motability Scheme lease covers everything you need to keep your car running smoothly, including maintenance and servicing, so that you can enjoy worry-free motoring without the hassle of unexpected bills or repairs and enjoy the unique BMW driving experience.

Fuel economy and CO_2 results for the BMW range on the Motability Scheme excluding the BMW i3 range: 39.2 mpg (7.2 l/100km) – 61.4 mpg (4.6 l/100km) Combined CO_2 emissions 165 – 120g/km.

Fuel economy and CO_2 results for the BMW i3 range on the Motability Scheme: Mpg N/A. CO_2 emissions 0 g/km. Electric range 173.4 – 175.2 miles. Electric energy consumption 16.5 – 16.3 kWh/100km (3.8 – 3.8 m/kWh).

For plug-in hybrid vehicles these figures were obtained using a combination of battery power and fuel, for battery electric vehicles after the battery had been fully charged.Plug-in hybrid and battery electric vehicles require mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO_2 and electric rangefigures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. **NB:** The CO_2 figures shown have been determined according to the WLTP test. WLTP has been used as the applicable CO_2 figures from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO_2 figures were previously based on the NEDC equivalent.

Prices are correct at publication for orders placed and accepted between 1 October- 31 December 2020 with participating BMW Retailers and subject to availability and can change without notice. All models on the Motability Scheme include optional metallic paint at no extra cost. Models featured may include options at an additional cost. Motability Scheme vehicles are leased to customers by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark, Bridge Road, London, SE1 9HB. To qualify you must be in receipt of the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Enhanced Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMS) or the Armed Forces Independence Payment (AFIP).
