Platinum Plus Service Activated Warranty

Terms and Conditions

GROUP 1
RAC

1. What the Plan provides

The Group 1 Platinum Plus Service Activated Warranty (the Plan) provides a Maintenance Inspection at the start of each one-year period that the Plan lasts, plus connected Maintenance. Full detail is set out in section 6: Our responsibilities under the Plan.

The Periodic Maintenance Inspection must be carried out by a Group 1 Aftersales Department before our Maintenance and other obligations apply for the year in question. These maintenance inspections can be carried out at the same time as your vehicle is taken in for a service, MOT or at the latest within every 12 month period after the start date of this plan.

The Plan is designed to provide Maintenance of those parts not usually covered in standard periodic service schedules, therefore giving you extra peace of mind. The parts maintained are detailed in the Maintenance Inspection Checklist.

Maintenance is not included in the circumstances set out in **section 10: What the Plan does not provide**.

If you fail to keep the vehicle serviced in accordance with the manufacturer's requirements, then any repairs required as a result will not be covered under the Plan.

The full detail of what the Plan does and doesn't provide is set out in this document. Please read it carefully to ensure that you understand the details of the Plan and how to use it as set out in **section 4: How to use the Plan**

The agreement is limited to the maintenance of each included part on only one occasion during the period of the agreement.

The terms and conditions of this Plan cannot be changed except with our specific written agreement.

This is a service contract and not an insurance policy.

If **RAC** attend a **breakdown** under Sections A (Roadside) or B (At Home), and cannot fix the **vehicle** on the same day, **RAC** will help the **driver** by making arrangements to allow the continuation of the journey. The **driver** can choose one of the following options, subject to availability:

1. Hire Car;
2. Alternative transport; or
3. Overnight accommodation.

1. Hire Car

Please see Hire Car terms.

Hire Cars must be arranged with **RAC** within 24 hours of the time of **breakdown**.

2. Alternative transport

3. Overnight accommodation

Service provided

The **driver** may decide that waiting for the **vehicle** to be fixed is best. **RAC** will arrange one night's bed and breakfast accommodation, up to a value of £150 per person or £500 for the whole party, whichever is less.

RAC will not assist the **driver** where **they** or one of the **passengers** is taken ill during a journey to or from a doctor's surgery or hospital, including planned doctor or hospital appointments or emergencies.

General Conditions

The following conditions apply to all sections of this **RAC Breakdown**. If **you** do not comply **we** can refuse cover and/or cancel your **RAC Breakdown**.

1. **You** must request **service** directly from **RAC**.
2. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and **your RAC Breakdown** will not cover this.
3. **RAC** will not provide **service** where the **vehicle** is already at a garage or other place of repair.
4. Where **RAC** deem, acting reasonably, that **you** requested **service** to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **RAC** will not provide **service**.
5. A **driver** must be with the **vehicle** when **RAC** attend.
6. **You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **vehicle**. **RAC** will not be responsible for any loss of or damage to them.
7. Where **RAC** recover **passengers** under the age of 16, they must be accompanied by an adult.
8. **RAC** will not allow animals in their vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **driver's** own risk. **RAC** will not be liable for any injury to animals, or damage caused by them. **RAC** will not transport any livestock. **RAC** will not be responsible for any costs relating to animals.
9. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.

10. Where **RAC** provide a repair to the **vehicle**, whilst **RAC** are responsible for that repair, this does not mean that **RAC** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
11. **RAC** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown**. For example, **RAC** will not pay for any loss of earnings or missed appointments.
12. **RAC** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **RAC** will try to check that the garage will undertake the type of repairs required, **RAC** cannot guarantee this. **RAC** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
13. During extreme weather, riots, war, civil unrest, industrial disputes, **RAC's** services can be interrupted. They will resume their service to **you** as soon as they can in these circumstances.
14. The cost of the following is not covered by this **RAC Breakdown**:
 - a) **specialist equipment**;
 - b) ferry charges for the **vehicle** and **RAC's** vehicle;
 - c) any damage to glass even if the damage means the **vehicle** cannot be legally or safely driven. **RAC** will arrange transport to a local garage so **you** can arrange to get the **vehicle** fixed but **you** will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them;
 - e) recovery by someone other than **RAC** even if this is requested by the emergency services. **RAC** will only provide recovery once instructed to do so by the emergency services.
15. In handling any **call-out** there may be more than one option available to the **driver** under this **RAC Breakdown**. **RAC** will decide which is the most appropriate option based on the expertise of **RAC** in **breakdown** situations. In doing so **RAC** will act in consultation with the **driver**, and act reasonably at all times.
16. This **RAC Breakdown** does not cover:
 - a) routine servicing, maintenance or assembly of the **vehicle**;
 - b) **caravan** or **trailers**, except as described under Section A;
 - c) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - d) **breakdowns** that occur off the public highway to which the **driver** or **RAC** have no legal access;
 - e) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - f) **vehicles** that are not in a roadworthy condition. If **RAC** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **RAC** can refuse to provide **service**. If **you** can demonstrate that the **vehicle** is roadworthy **RAC** will provide **service**;
 - g) any **call-out** that is or may be affected by the influence of alcohol or drugs;
 - h) any **breakdown** that is caused by or as a result of **vehicle** theft or fire.
17. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is the **drivers** responsibility to ensure that the record is accurate and complete, and **RAC** will not be responsible for any errors or omissions.

Misuse of RAC Breakdown

Each **driver** must not:

1. Behave inappropriately towards **RAC**, including acting in a threatening or abusive manner, whether verbally or physically;
2. Persuade or attempt to persuade **RAC** into a dishonest or illegal act;

3. Omit to tell **RAC** important facts about a **breakdown** in order to obtain **service**;
4. Provide false information in order to obtain a **service**;
5. Knowingly allow someone that is not covered by **your RAC Breakdown** to try and obtain a **service** under this **RAC Breakdown**;
6. Pay for additional services or goods in the knowledge that the payment has or will fail, with no intention of providing alternative payment.

If these conditions are not complied with, **RAC** may:

1. Refuse to provide any **services** to the applicable **driver** under this **RAC Breakdown** with immediate effect;
2. Refuse to sell any **services** to the applicable **driver** in the future.

RAC may also take any of the additional steps as set out above if any **call-out** is found to be fraudulent in any way, **RAC Breakdown** will be cancelled with effect from the date of the fraudulent act, and the fraudulent **call-out** forfeited. **We** will notify **you** in writing if **RAC** decide to take any of the above steps.
